

Planning Commissioners Made Their Concerns Clear

Commissioner Gallagher
10/13/05

“Wal-Mart comes in and says *‘You just took away the K-Mart, now we can come in and operate on this site under the terms of this permit,’* and **the public never had a chance to do a charrette or do guiding policies together with the developer.”**

Planning Commissioners Made Their Concerns Clear

Commissioner Dangoria
10/13/05

“Are we attempting to do something that continues to perpetuate the past? Meaning that **if we have made a mistake in the past, are we continuing to perpetuate it?**”

Planning Commissioners Made Their Concerns Clear

Commissioner Gallagher
10/13/05

“On the other hand, **we don't want to** be so blanket in the approval that we end up creating the possibility that a very, very large tenant comes in, a **Wal-Mart sized tenant**, that would be so large as to **exclude the possibility of multiple other tenants.**”

Planning Commissioners' Reactions to the News

Commissioner Dangoria

03/09/06

“And in a community like Marina, where there’s going to be so much development happening, I think it has really **fundamentally shaken at least my personal belief that most people who come in front of us, come and tell the truth. And I just think it is a very shameful thing that has happened.**”

Planning Commissioners' Reactions to the News

Commissioner Daniels
03/09/06

“I just want to weigh in with the other
Commissioners. **I'm pretty shocked.**”

So are we.

Please vote for a Hearing.
